xpress ®
Cloud Solutions for the Modern Business

Be AI-ready

Microsoft Azure accelerates AI innovation

Run apps faster and more efficiently with the agility needed to scale with your AI solutions. Xpress and Azure deliver a purpose-built AI supercomputing infrastructure with co-location to run all your workloads in a single location.

Unifies siloed teams, distributed sites, and sprawling systems into a single platform

Simplifies how you design, operate, and troubleshoot apps

Improves AI performance and accelerates innovation

Optimize performance for your AI workloads

### Up to 150%
increase in work output with Azure AI[1]

Up to 284%
increase in return on investment with Azure AI Services[1]

75%
reduction in barriers to AI/machine learning[1]
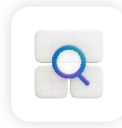

3x
more agility to change and improve AI[1]

2x
the simplicity to innovate with AI[1]

We can help you customize the right plan for your cloud adoption. Let's set up a meeting to explore your options.
